Our Diary of '68 . . .

. . . of the Year

. . . of the Sports

. . . of the Activities

. . . of the Classes

Tells of the Magnificent World of Albion High in '67-'68.

Many students have gone through our halls, sat in our seats, played and won honors in our sports but the year of '67-'68 found us all forming lasting friendships, and facing more serious problems than any other students in the history of Albion High School. Yet our Diary tells of our study, fun, and vigorous activities that have made us firm friends and loyal boosters of A.H.S.

THE TORCH STAFF

ROW ONE: Emily Kester, Pat Rimmel, Mary Jane Detwiler, Melody Reeve, Deanna Clapham. ROW TWO: Monty Morr, Dennis Parker, Dennis Kline.

FOREWORD:

In this, OUR DIARY of '67-68, we have tried to present the activities, classes, clubs, sports, and friendships that have made this a memorable year. We have been excited and thrilled in the sports contests; we have been serious in our classes; we have had fun in our associations. We have responded to bells; we have poured into and out of our classes and all these things have been the material for our dreams and school spirit. In after years when we are reminiscing, if we can recall the many smiles, disappointments, dreams, and successes of '68, we shall be rewarded by knowing we have succeeded with OUR DIARY of '68.

THE CHRISTMAS SNOW

The snow had fallen
the night before.
It covered the windows
and covered the door.
It glittered brilliantly
upon a tree;
Then continued for all to see.

When Christmas day
finally appeared,
The air was crisp
and filled with cheer.
Good will lay lightly
upon one's heart,
And remained in memory
like a piece of art.

Four of our former teachers have retired and live in or near Albion.

They have been dedicated people and have influenced hundreds of lives of the young folk who have come in contact with them. Their combined years of teaching are 149 years - a century and a half!

Mr. Brill has spent 42 years of his life in the teaching profession; Mrs. Stanley, 38 years; Mrs. Frazee, 25 years; and Mr. Tucker 44 years.

The community has been enriched greatly by their having been a part of our school, civic, and religious life. We are ever grateful to them!

This ends the last page of the last TORCH! We have finished the story of our activities in this, "Our Diary for '67-'68."

It is with great anticipation and yet with much sadness that we bid farewell to Albion Hi and all it has meant to us. Now as we go our various ways, we shall take up new challenges and we are determined to cope with them successfully.
